

Thank you for considering a partnership with AAA Automotive Services. AAA WCNY continues to evaluate our network and looking to strengthen it. We are looking for the right partners to service our current membership base of 855,000 members throughout its service area, in all of Central N.Y., Rochester, Buffalo and surrounding area. AAA is a not-for-profit federation of 43 clubs that provides its 55 million members in the United States with travel, financial and auto-related services. There are other affiliated clubs around the world, including Canada.

The Approved Auto Repair Program was designed to identify competent and reliable repair shops. Repair centers displaying the AAA Approved Auto Repair sign excel in workmanship, service, training, appearance and reputation. To ensure these high standards are maintained, AAA inspects approved facilities annually and continually monitors their performance. All motorists benefit from knowing that our partners have met AAA's high standards.
